RULES AND REGULATIONS

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

8. Customer Premise Equipment (Continued)

- c. The customer indemnifies and saves the Company harmless against claims for libel, slander, or infringement of patents arising from combining such equipment with the facilities of the Company.
- d. The Company shall not be responsible to the customer if changes in criteria in this tariff or changes in any of the facilities or operations or procedures of the Company render any customer premise equipment obsolete, or require modification or alteration of such equipment, or otherwise affect its use or performance. The Company reserves the right to change the standards of its equipment as the requirements of the telephone business may direct.

C. USE OF SERVICE AND FACILITIES

1. Use of Customer Service

- a. Customer telephone service is furnished on retail basis for residential or business use only and not for resale except as otherwise provided in Part II, Section O. Service accounts are assigned to customers only, and the customer(s) in whose name the account is established will be treated as the account owner(s) for all purposes. Account owners shall be responsible for any and all use of the subscribed service.

2. Attachment or Connection of Customer Premise Equipment

- a. Customer premise equipment may be used with the facilities furnished by the Company, for telecommunication service, provided that such equipment will be connected, maintained and operated in a manner compatible with Company's facilities and networks.
- b. It is the customer's obligation to ensure compliance with any applicable state or federal laws governing the installation and use of customer premise equipment.
- c. To protect the network and services furnished to the public by the Company, the customer premise equipment must comply with all applicable minimum network protection criteria.
- d. If customer premise equipment is used which is causing or is likely to cause interference or hazard to the network, the Company will take such action as it deems necessary for the protection of the telecommunications network.
- e. After notification by the Company of such interference or hazard, the customer shall discontinue such use and disconnect such equipment. Failure of the customer to conform to this requirement may result in suspension of service.
- f. The customer will be responsible to pay a service check charge as specified in Part VI, Service Check Charges for visits to their premises when the service difficulty is caused by the customer premise equipment.

RULES AND REGULATIONS

F. ESTABLISHMENT AND MAINTENANCE OF CREDIT (Continued)

2. Amount of Deposits

- a. The amount of deposit required shall not be more than the maximum charge for two months local exchange service or as may reasonably be required by the Company in cases involving service for short periods or special occasions. The Company may require the customer to increase the amount of the deposit at any time, if the charges billed against the customer are found to warrant such an increase. Qualified low income applicants may apply for Lifeline Assistance.
- b. A deposit may be made at any Company business office or authorized agent.
- c. The Company will maintain records which show the name and address of each depositor, the amount and date of the deposit and each transaction concerning the deposit. Unclaimed deposits shall be disposed of in accordance with law.
- d. A receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by the Company records.

3. Deposits and Collection Practices

- a. The fact that a deposit has been made in no way relieves the applicant or customer from complying with the Company's regulations as to advance payments and the prompt payment of bills; nor constitutes a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of sums due the Company for services rendered. The Company may discontinue service to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with the Company to secure payment of such bills, or has furnished the Company with a guarantee in writing for such bills.

4. Interest to be Paid on Deposits

- a. Interest compounded annually, shall be at the rate provided in Iowa Utility Board rule 199 IAC 22.4(2)(b). Interest shall be paid for the period beginning with the date of deposit to the date of refund or to the date that the deposit is applied to the customer's account or to the date the customer's bill becomes permanently delinquent.

5. Discontinuance of Service for Failure to Establish Credit

- a. Service may be discontinued for failure to establish or maintain credit, as set forth in F.1. above, twelve days after the Company has mailed notice requiring the customer to do so.

* - Rates are available to customers at the Company's office, website or by mail.

RULES AND REGULATIONS

J. DISCONNECTION OR REFUSAL OF SERVICE

1. By the Company Without Notice

a. The Telephone Company may disconnect or refuse service without notice:

- 1) in the event of a condition on the customer's premises determined by the Telephone Company to be hazardous.
- 2) in the event of customer's use in such a manner as to adversely affect the Telephone Company's facilities or the Telephone Company's service to others, such as:
 - a) connection of Customer Premise Equipment which causes or is likely to cause interference or hazard to the network.
 - b) Impersonation of another with fraudulent intent.
- 3) in the event of tampering with facilities furnished and owned by the Telephone Company.
- 4) in the event of unauthorized use.

2. By the Company After Prior Written Notice

a. In addition to the reasons set forth in subparagraph 1a. above, the Telephone Company may disconnect or refuse service after providing at least five days or in the case of deposits twelve days, prior written notice for any of the following reasons:

- 1) failure of a customer to make suitable deposit as required by these rules.
- 2) use of service in an unlawful or abusive manner, including to illegally threaten or harass other persons or in violation of any federal, state, or local law applicable to use of service.
- 3) the customer's bill for local services remains unpaid after the last date for timely payment.
- 4) for failure of the customer or prospective customer to furnish permits or certificates of right-of-way specified to be furnished in the Telephone Company's rules filed with the Iowa Utilities Board as conditions for obtaining service, or the termination of those permissions or rights, or for the failure of the customer or prospective customer to fulfill the contractual obligations imposed upon them as conditions of obtaining service by a contract subject to the regulatory authority of the Iowa Utilities Board.
- 5) for failure of the customer to permit the Telephone Company reasonable access to its facilities.
- 6) any other violation of the Telephone Company's rules and regulations on file with the Iowa Utilities Board, the requirements of municipal ordinances or law pertaining for the service.

RULES AND REGULATIONS

K. PAYMENT FOR SERVICE AND FACILITIES

1. General

- a. Generally all customers shall pay for services and facilities monthly in advance. Municipal, State or Governmental Agencies may be exceptions to this rule.
- b. Billing to customers shall be scheduled monthly.
- c. All bills for local services are due not less than 20 days after the bill is rendered.
- d. When a customer is connected or disconnected, or for other cause the service received deviates by more than twenty-four consecutive hours from the normal billing period, the bill shall be prorated. If the prorating indicates a refund is due, the refund shall be accomplished by bill credit.
- e. Failure to receive a bill does not relieve the customer of the responsibility for payment.

2. Disconnection of Service by the Company

- a. In the event of failure by the customer or those responsible to pay any bill on or before the due date, the Company may discontinue local services upon written notice, allowing the customer five days to make payment or settlement.

3. Service Charge for Reconnection

- a. Where service has been discontinued for non-payment of a due bill applicable service charges as defined in Part VI of this tariff shall apply.
- b. Where service has been discontinued for the non-payment of a due bill, the customer may be required to reestablish credit as defined in Establishment and Maintenance of Credit.
- c. The maximum payment for restoration of service that existed prior to disconnection shall be the total past due amount, applicable nonrecurring charges and if appropriate, an Advance Payment and Deposit as specified elsewhere in this tariff.

4. Late Payment Charge

- a. All bills for which full payment has not been received paid before the last date for timely payment shall be subject to a late payment charge.
- b. Each account shall be granted not less than one complete forgiveness of late payment charges each calendar year for regulated services. The customer will be notified that this forgiveness has been used by first class mail, telephone or electronic means.
- c. Late payment charges shall be N/A % of the unpaid balance.

* - Rates are available to customers at the Company's office, website or by mail.

ENTRANCE FACILITIES - Facilities extending from the point of entrance on private property to the premises on which service is furnished.

EXCHANGE - A geographical area established for the administration of local communications services in a specified area, called the "Exchange Area", which usually embraces a city, town or village, and its environs. It may contain one or more central offices together with the associated plant, equipment, and facilities used in furnishing communication service within that area.

EXCHANGE AREA - The territory served by an exchange.

EXCHANGE SERVICE - The furnishing of facilities for communication within an exchange area, in accordance with the regulations and charges specified in the Local Tariff.

EXTENDED AREA SERVICE - Extended Area Service (EAS) means telephone service furnished between end user customers located within an exchange area and all of the end user customers of an additional exchange area. Extended Area Service is only for local calls both originating and terminating within the defined extended area by the end users of local exchange companies.

EXTRA EXCHANGE LINE MILEAGE - The measurement on which charges are based for that portion of the circuit extending beyond the Base Rate Area but within the Exchange Area, which is used to furnish urban classes of service in the Suburban or Rural Area.

EXTRA LISTING - See "Additional Listing."

FLAT RATE SERVICE - Telecommunications service furnished at a fixed monthly or periodic charge.

FOREIGN CENTRAL OFFICE - Any central office other than that which serves the area in which the customer is located.

FOREIGN EXCHANGE LINE MILEAGE - The measurement applying to that portion of a central office line connecting a customer with a foreign central office, from the common boundary line to the customer's station, for which a monthly charge is made in addition to the base rate for exchange service.

FOREIGN EXCHANGE SERVICE - Exchange service furnished to a customer from an exchange other than the exchange regularly serving the area in which the customer is located.

GENERAL EXCHANGE SERVICES - Facilities, services or features furnished by the Company connected to or associated with primary local exchange service.

INDIVIDUAL LINE - A Central Office Access Line to provide one-party service. (Not a private branch exchange trunk.)

C. DEFINITIONS

1. Individual Services

- a. **Call Back:** This service allows the subscriber to automatically re-dial the call to the last number called by dialing an activation code. If the number called is idle, the caller is connected. If the number called is busy, an announcement will play followed by a tone. When the called line and caller's line are idle, the caller hears a special ring.
- b. **Call Block:** Allows the subscriber to create a reject list of up to 10 directory numbers. Calls from these numbers receive a fast busy signal and the subscriber's telephone does not ring.
- c. **Call Forwarding-Basic:** Permits a customer to transfer all incoming calls to another dialable telephone number. The customer pre-selects a second telephone number to which all incoming calls are automatically transferred. Calls may be transferred to a long distance message telecommunications point subject to the availability of the necessary facilities in the central office from which the calls are to be transferred.
- d. **Call Forwarding-Busy Line:** Allows a customer to have incoming calls forwarded to another predetermined number if the called number is busy.
- e. **Call Forwarding Fixed:** Allows the subscriber to activate and deactivate call forwarding, but does not allow changing the number without calling the service provider.
- f. **Call Forwarding No Answer:** Allows a customer to have an incoming call forwarded to another number if the customer does not answer after a preset number of rings.

EMERGENCY REPORTING TELEPHONE SERVICE

ENHANCED UNIVERSAL EMERGENCY NUMBER SERVICE (E911) (Continued)

C. CONDITIONS

1. E911 service is provided solely for the benefit of the customer operating the PSAP. The provision of E911 Service by the Telephone Company shall not be interpreted, construed, or regarded, either expressly or implied, as being for the benefit of or creating and Telephone Company obligation toward any third person or legal entity other than the customer.
2. The Telephone Company does not undertake to answer and forward E911 calls, but furnishes the use of its facilities to enable the customer's personnel to respond to such calls on the customers' premises.
3. Temporary or vacation suspension of service is not provided for any part of the E911 Service.
4. The E911 calling party forfeits the privacy afforded by non-listed and non-published service to the extent that the telephone number, address, and name associated with the originating station location are furnished to the PSAP. The names, addresses, and telephone numbers of telephone customers whose listings are not published in directories or listed in Directory Assistance Offices is confidential. Information will be provided on a call-by-call basis only for the purpose of responding to emergency calls.
5. The Telephone Company's entire liability to any person for interruption or failures of E911 Service shall be limited to the terms set forth in this section and other sections of this tariff.
6. The rates charged for E911 Service do not contemplate the inspection or constant monitoring of facilities to discover errors, defects, and malfunctions in the service, nor does the Company undertake such responsibility. The customer shall make such operational tests as, in the judgment of the customer, are required to determine whether the system is functioning properly for its use. The customer shall promptly notify the Telephone Company in the event the system is not functioning properly.

N11 – SERVICE OFFERINGS (Continued)

B. TERMS AND CONDITIONS (Continued)

9. The Company will provision the subscriber's order within a reasonable time, given the complexity of the order. The N11 subscriber will be billed the nonrecurring charge (if applicable) when the Company provisions the service.

If during this period, the N11 subscriber has failed to establish service or decides to discontinue service establishment, the N11 code will be recalled and the code will be considered available for reassignment. If the network has been provisioned for the subscriber, the nonrecurring charges if applicable will not be refunded or waived.

10. Only a single seven or ten-digit local number or a single ten-digit toll free number may be used as the point-to number.
11. N11 Service is provided where facilities permit.
12. The N11 subscriber should work separately with cellular or wireless companies to ascertain whether cellular or wireless customers will be able to reach community information and referral services, non-emergency local government services, travel information services, telephone transmission access to all Telecommunications Relay Service (TRS) entities as a toll free call, or access to One Call systems provided by dialing N11.
13. N11 will be provided under the following conditions:
- a. The subscriber will subscribe to adequate telephone facilities, both initially and subsequently as required in the judgment of the Company, to handle calls to N11 without impairing the Company's general telephone service or telephone plant.
 - b. The N11 subscriber is responsible for obtaining all necessary permissions, licenses, written consents, waivers and releases, and all other rights from all persons whose work, statements or performances are used in connection with the service, and from all holders of copy rights, trademarks, and patents used in connection with the service.
